

Dr Jerry Draper-Rodi

D.Prof.(Ost), PG Dip, PG Cert, DO

Academic clinician

PERSONAL DATA

Born	28th February 1982, Annecy, France
Marital status	Married, two children
Home address	22 Berry Croft, Abingdon, OX14 1JL, UK
Practice addresses	Peachcroft Shopping Centre, Lindsay Drive, Abingdon OX14 2QA
Phone	0044 (0)7935 969532
Email	J.Draper-Rodi@bso.ac.uk

QUALIFICATIONS

2011 – 2016	Professional Doctorate in Osteopathy, University of Bedfordshire, London
2011	Postgraduate Certificate in Research Methods, BSO, London
2008 – 2009	University degree (PGDip) in clinical anatomy, Université Paris V Descartes
2007	Certified examiner for finals examination in osteopathy, Académie d'Ostéopathie
2006 – 2007	University degree (PGDip) in anatomy applied to clinical examination and medical imaging, Université Paris Ouest
2001 – 2007	Osteopathy degree (DO), ISO Lyon - CEESO Paris
2000	French Scientific Bacallaureate with subjects in English (mention Européenne), Lycée Charles Baudelaire, Annecy

MEMBERSHIP OF PROFESSIONAL BODIES

2009 – ongoing	Member of the General Osteopathic Council, membership number 7449
2009 – ongoing	Member of the institute of Osteopathy, membership number 104053

ACADEMIC AWARDS AND FELLOWSHIPS

2017	Travel fellowship, the Society for Back Pain Research
2016	Research in Practice Award, the Institute of Osteopathy Secretaries Award, the Society for Back Pain Research

PROFESSIONAL OSTEOPATHIC ACTIVITIES

Private Practice

2011 – ongoing	Self-employed osteopath, Abingdon
2010 – 2012	Self-employed osteopath in an osteopathy centre, Paris
2007 – 2010	Self-employed osteopath in a multi-disciplinary medical centre, Paris

Research

Reviewer

Reviewer for the International Journal of Osteopathic Medicine.

2014-ongoing

Publications in peer-reviewed journals

2016

Draper-Rodi J, Vogel S, Bishop A. al. (2016). "Impact of an e-learning programme on the biopsychosocial model for non-specific low-back pain on experienced osteopaths' attitudes to back pain: A mixed-methods study." *Manual therapy* 25: e167-e168.

Draper-Rodi J, Vogel S, Bishop A. al. (2016). "What are the biopsychosocial obstacles to recovery for non-specific low back pain? Results of a scoping review." *Orthopaedic Proceedings* 98-B(SUPP 6): 14-14.

2015

Draper-Rodi J, Vogel S, Bishop A. "The effects of a biopsychosocially structured e-learning programme for non-specific low-back pain on experienced osteopaths' attitudes to back pain: A mixed-method pilot randomised-controlled trial and qualitative study." *European Journal of Integrative Medicine*.

2014

Gabutti M, **Draper-Rodi J**. Osteopathic decapitation: why do we consider the head differently from the rest of the body? New perspectives for an evidence informed osteopathic approach to the head. *International Journal of Osteopathic Medicine* 17(4): 256-262.

Draper-Rodi J. Should we start carrying out HVT on disc herniations? *International Journal of Osteopathic Medicine* 2013; 16(4): 244-5

2013

Draper-Rodi J. Alterations in the multifidus structure and activity in individuals with unilateral recurrent low back pain, despite being pain free and functionally recovered. *International Journal of Osteopathic Medicine* 2013; 16(2): 122-3

Gabutti M, **Draper-Rodi J**. Re: An investigation of cranial motion through a review of biomechanically based skull deformation literature. *International Journal of Osteopathic Medicine* (In Press, Corrected Proof).

Draper-Rodi J, Zegarra-Parodi R, Gillot C. The anatomical relationship between the tibialis posterior tendon and the talus – Dissection and osteopathic interpretation. *International Journal of Osteopathic Medicine* 2013; 16(1): 13–14

2012

Draper-Rodi J, Wagner J. Chronic musculoskeletal pain: how do we incorporate central sensitization into clinical practice? *International Journal of Osteopathic Medicine* 2012;15:66-72

2011

Draper-Rodi J. Myofascial pain syndrome, trigger points and neuropathy. *Research and Treatment Bulletin. International Journal of Osteopathic Medicine* 2011;14:166-172

Wagner J, **Draper-Rodi J**. Physiological effects and efficiency of manual therapy in the treatment of Chronic Tension-Type Headache. *Research and Treatment Bulletin. International Journal of Osteopathic Medicine* 2011;14:33-37.

2010

Draper-Rodi J. Learning spinal manipulation skills: assessment of biomechanical parameters in a 5-year longitudinal study. *Research and Treatment Bulletin. International Journal of Osteopathic Medicine* 2010;13(4):168.

Rodi J. Expanding the evidence base for osteopathic medicine – lymphatic pump treatment, the lymphatic and immune systems. *Research and Treatment Bulletin. International Journal of Osteopathic Medicine* 2010;13(3):99.

Rodi J. Does the structure of lumbar connective tissue alter in those with chronic low back pain? *Research and Treatment Bulletin. International Journal of Osteopathic Medicine* 2010;13(2):74-78.

Publications in non-peer-reviewed journals/websites

2017

Zangoni G, Thomson O, **Draper-Rodi J**. "I need to do another course" – Physiotherapists' views on assessing psychosocial factors in chronic low back pain. *Body in Mind*, available at: <http://www.bodyinmind.org/assessing-psychosocial-factors-back-pain/>

2012

Draper-Rodi J. Réflexions sur le champ de pratique en ostéopathie, exemple des travaux du laboratoire du Dr Lisa Hodge. Le site de l'ostéopathie, available at: <http://www.osteopathie-france.net/pro-articles/1853-champpratique>

Draper-Rodi J. L'ostéopathie, une profession? Le site de l'ostéopathie, available at: <http://www.osteopathie-france.net/tribunelibre/construire/1685-draper-rodj>

Book chapter publication

2012 Zegarra-Parodi, R., **Draper-Rodi J.**, et al. (2012). EBM in Clinical Practice: Implementation in Osteopathic Diagnosis and Manipulative Treatment for Non-Specific Low Back Pain Patients. Evidence Based Medicine - Closer to Patients or Scientists? N. Sitaras. Rijeka, Intech. (*Open access*)

Conferences: Oral presentations

2017 **Draper-Rodi J.** Lomalgies fonctionnelles et troubles du sommeil. Idheo conference. Nantes (France)

2016 **Draper-Rodi J.** The biopsychosocial model of non-specific low back pain; OSD conference. Berlin (Germany)

Draper-Rodi J, Vogel S, Bishop A. Impact of an e-learning programme on the biopsychosocial model for non-specific low-back pain on experienced osteopaths' attitudes to back pain: a pilot randomised-controlled trial. OsEAN conference. Vienna.

2015 **Draper-Rodi J, Vogel S, Bishop A.** Non-specific low-back pain: how can we assess it in a biopsychosocial context? The institute of Osteopathy conference. Egham.

Draper-Rodi J, Vogel S, Bishop A. Presentation of the development of an e-learning programme on the biopsychosocial model for non-specific low-back pain. The BSO education conference. Egham.

Draper-Rodi J. Evidence vs conventional wisdom. OSD conference; Berlin (Germany)

2012 **Draper-Rodi J.** Chronic pain and osteopathy: are we missing the point? OSD conference; Berlin (Germany)

Draper-Rodi J. Réflexions sur l'identité de l'ostéopathie. Paris.

2009 **Rodi J, Gillot C.** Le muscle tibial postérieur. Société Anatomique de Paris; Paris (France), June 2009.

Conference: Poster presentation

2016 **Draper-Rodi J, Vogel S, Bishop A.** Impact of an e-learning programme on the biopsychosocial model for non-specific low-back pain on experienced osteopaths' attitudes to back pain: a mixed methods feasibility study. The International Federation of Orthopaedic Manipulative Physical Therapists. Glasgow.

2015 **Draper-Rodi J, Vogel S, Bishop A.** What are the biopsychosocial obstacles to recovery for non-specific low-back pain? Results of a scoping review. The Society for Back Pain Research conference. Bournemouth.

Draper-Rodi J, Vogel S, Bishop A. The effects of a biopsychosocially structured e-learning programme for non-specific low-back pain on experienced osteopaths' attitudes to back pain: A mixed-method pilot randomised-controlled trial and qualitative study. CAMstrand conference. London.

2011 **Draper-Rodi J, Gillot C, Zegarra-Parodi R.** The anatomical relationship between the tibialis posterior tendon and the talus – dissection and osteopathic interpretation. International Congress of Osteopathic Medicine (ICOM); Florence (Italy), April 2011.

2009 **Rodi J, Gillot C, Uhl J.F, Delmas V.** Le muscle tibial postérieur, poster. 91st Congress of the Morphologist Association; Brussels (Belgium), May 2009.

Teaching and development of courses

2017 – ongoing Research lecturer and CPD manager. BSO London

2012 – 2017 Clinic tutor, BSO London

2013 – 2016 Visceral elective lecturer, BSO London

2013 – 2014 Associate lecturer; visceral osteopathy, Oxford Brookes

2012 – 2015 Lecturer; postgraduate course on diagnosing musculoskeletal pain, University Paris Ile de France Ouest (France)

2012 – 2016 Co-leader of visceral CPD (abdomen, thorax and pelvis) with Valeria Ferreira DO, BSO, London

2012 – 2015 Scientific committee member and co-creator of a one-year postgraduate course on diagnosing musculoskeletal pain, University Paris Ile de France Ouest (France)

2010 – 2012 Practical Osteopathic Skills Lecturer, BSO London

2010 – ongoing Dissertation tutor, BSO London

2007 – 2009 Group tutor and classroom assistant (structural osteopathy, visceral osteopathy and orthopaedic examination), CEESO Paris
